Play golf and give back to your community!

Come enjoy a day of golf and support Family and Community Services of Somerset County.

As a non-profit community agency, we offer affordable rates based on a sliding scale. We take pride in servicing everyone in our community without regard to ability to pay. In turn, we rely on you and the community, as well as private donations to allow us to continue to provide these high quality and vital services.

CONTESTS

- Hole-in-One
- Longest Drive
- Closest to the pin

All golfers will be required to wear spike less shoes, metal spikes not permitted!

Family and Community Services of Somerset County

Family and Community Services of Somerset County has been helping families in our areas since 1960. Over the years, we have specialized in providing support, guidance and counseling to individuals and families in need. Families today face multiple challenges. At Family and Community Services, we provide support services to address each of life's many transitions and problems.
